Here are our top tips for having a crime-free Christmas:

When you are out and about

- Be aware of what is going on around you, especially in busy shops and crowded streets. Keep wallets, purses and phones in inside pockets or at the bottom of a bag and only carry the cash and cards you need.
- Be careful where you park your car. Choose a well-lit parking space, don't leave valuables on display in your car and always lock and secure your vehicle when you leave it. If you must leave shopping in the car makes sure it is left out of view and keep receipts with you.

At Home

- Don't leave presents under the Christmas Tree if they are visible from windows and doors
- Don't keep large amounts of cash at home.
- Keep your doors and windows locked at all times.
- Make your house look occupied, use a timer switch to operate lamps as gets dark.
- Take care about what you post on social media. Try not to advertise expensive gifts and don't broadcast when you are going to be away from your home.
- After Christmas avoid advertising your lovely gifts by putting empty boxes outside for collection.
