Cllr Laws discussed concerns regarding water running off the highways onto fields, which has been landowner's responsibility in the past. Cllr Laws has 3 fields which are now unfarmable due to the water running off the roads. Cllr Strong suggested contacting Steve White at Highways to attempt to rectify the problem, and to come back to her if problems continue.

Cllr Fletcher, Cllr Goodley and Cllr Ross would also like to receive updates on progress with Highways as they are affected too. There are also ongoing issues with the locations of grits.

Cllr Fletcher mentioned the possibility of digging out dykes to help with excessive rainwater. This should also be discussed with Highways.

Cllr Goodley asked Cllr Strong about the trees next to the Church. Arboriculturists attended site last year to agree and mark which trees would be felled, however there has been no further activity. They are situated approx. 4ft from the edge of the road, some of the trees may be Highway's responsibility, and some may be Cllr Goodley's responsibility. Cllr Strong suggested emailing details of the trees and their location to her and she will put Cllr Goodley in touch with the relevant contact at NCC.

Cllr Goodley has been contacted by some local residents who believe they will be receiving super-fast broadband. Cllr Strong has asked for the residents contact details so that she can investigate this and advise.

NNDC - Cllr T. FitzPatrick

Report can be viewed via www.barshamandhoughton-parish-council.co.uk.

Cllr Laws enquired about an update on the Cherry Tree roundabout. However there is still no planning application as the design has not yet been submitted.

6. Open forum for Public Participation: an opportunity to hear from members of the public

There were none.

7. Slipper Chapel Developments

There were none.

8. Open spaces

8.1 SAM2 update

Walsingham PC have kindly offered to include the two agreed locations within their SAM2 rota.

SAM2 Data as follows:-

Location: Barsham Hill (21 February – 10 March)

85th Percentile Speed = 54.6 mph

85th Percentile Vehicles = 7,681 counts

Max Speed = 95.0 mph on 06/03/2021 21:00:00

Total Vehicles = 9,037 counts

Cllr FitzPatrick suggested using the above data to present to our local police constable to encourage them to send out a patrol to set a speed trap. Cllr Strong also suggested contacting the new police inspector and expressing our concerns about the speeding in the area. Clerk to action.

8.2 Defibrillator update

It was agreed to consider fundraising options in the Summer.

9. Planning Matters

9.1 To receive results of applications

PU/20/1885 Chicken Shed | Land South of Water Lane, Great Snoring

Change of use of agricultural building to 5 dwelling houses (Class 3) and building operations reasonably necessary for the conversion

PC comment – Objection. NNDC – Awaiting decision
